

BOLD

EFFICIENTLY DESIGNED.

BEAUTIFULLY COMPACT.

BOLD SERIES

COMPACT DESIGN, BOLD IMPACT

Create a personalized and functional space with Edison Price Lighting's Bold Series. These innovative shallow downlights offer a range of lighting options for any room. Choose from our extensive collection and make a **bold statement** with your lighting.

An all-inclusive lighting solution
that encompasses a range of
apertures, shapes, and depths to
suit the requirements of any space.

UNLEASH YOUR CREATIVITY

The Bold Series is the ultimate lighting solution for any design project, offering a complete family of fixtures with varying depths to cater to different design requirements.

With the option of flanged, trimless, or millwork trims, the Bold Series is versatile enough to blend seamlessly into any interior or exterior design scheme.
