EDISON PRICE

DESCRIPTION

Your new go-to for versatile and dynamic track lighting solutions. With over 20 track head options, this system is incredibly flexible and perfect for any space. Whether you're looking for round track, square track, or monopoint versions, the Neo-Track Family has it all. Designed to look great and perform even better, our track lighting system enhances any environment with its sleek design and powerful performance.

20+ Track Head Options: Choose from a wide variety of styles to suit any aesthetic and functional requirement.

Versatile Deployment: Available in round track, square track, and monopoint versions to fit any space and design vision.

Customizable Configurations: Mix and match track heads and layouts to create a truly unique lighting setup.

Sleek Design: Modern, minimalist designs that seamlessly blend with any decor.

Modern Design Meets Exceptional Flexibility.

SPOT-LIGHT

FREE SERIES MODULE FEATURES

Compact Dimensions:

Diameter 1 3/16" x Height 2 3/16", ideal for discreet installation

High Efficiency:

Consumes only 3W of power while providing 210LM / 190LM of light output

Adjustable Beam Angles:

Available in 24° and 36° options to provide targeted or broader illumination

Advanced Dimming and Controls:

Compatible with Non-dimming, DALI, CASAMBI, and 0-10V systems for versatile control

Durable Finish:

Black coating with an IP20 rating, suitable for indoor environments

Easy Installation:

Designed for track mounting, ensuring a hassle-free setup

DESCRIPTION

The Free Series Track-Mounted Spotlight Module combines sleek design with exceptional performance, making it ideal for precise and versatile indoor lighting. Offering high CRI and multiple CCT options, it ensures vibrant and accurate color rendering with adjustable beam angles to suit any setting.

SPECIFICATIONS DATA

Lumens	210 / 190
Size(s)	Ø 1-1/8" x 2-1/8" L
Finish(es)	Black
Driver(s)	0-10V, DALI-2, Tuya, CASAMBI
Input Voltage	48V
Beam Angle	24°, 36°
CRI	>90
CCT	27K, 30K, 35K, 40K
Power (W)	3

FREE SERIES MODULE FEATURES

Compact Dimensions:

Diameter 1 3/16" x Length 23 5/8" / 35 7/16" / 47 1/4", ideal for versatile installation

High Efficiency:

Consumes 12W / 18W / 24W of power while providing 1200LM / 1800LM / 2400LM of light output

PC Diffuser:

Provides even and soft light distribution with a 100° beam angle

Advanced Dimming and Controls:

Compatible with Non-dimming, DALI, CASAMBI, and 0-10V systems for versatile control

Durable Finish:

Black coating with an IP20 rating, suitable for indoor environments

Easy Installation

DESCRIPTION

The Free Series Track-Mounted LED Linear Module combines sleek design with high performance, perfect for versatile indoor lighting applications. With high CRI and multiple CCT options, it ensures vibrant and accurate color rendering with a wide beam angle for even illumination.
