surface mounted LED cross-baffled accent light with integral dimmer

- Luminaire is designed for mounting on a 4" octagonal outlet box (by others).
- Whether operated on 120-volt or 277-service, luminaire may be dimmed to 10% by an integral rotary dimmer located on one side of the driver case. Dimmer control shaft is spring loaded, permitting shaft to be exposed for adjustment and then depressed flush with the driver case to conserve dimmer setting. 'Clock face' markings permit registration of dimmer setting. (See illustrations below.)
- Driver case measures 5 1/2" long x 4" wide x 1 7/8" high.
- A matte black cross-baffle assembly controls surface brightness and reduces spill light. Lens orientation may be adjusted from below by rotating cross-baffles. The cross-baffle assembly is spring mounted but keyed relative to the fixture housing, to retain lens orientation once set.
- Beam spread is changed by removing the cross-baffle assembly, replacing one 'twist and lock' reflector with another, and re-inserting the cross-baffle assembly. Luminaire is ordered with a single reflector; one or both of the other reflectors may be ordered as accessories.
- Luminaire provides 385° horizontal rotation and vertical adjustment from 0° to 90°. Lamp focus can be locked by tightening two collar clamps using a ⁹/₆₄" hex key.
- Luminaire accepts one or two of a number of Optical Accessories, including spread lenses, color filters and light reduction screens. A complimentary Beam Smoother is included.

Warranty Details

- This fixture is not suitable for use in direct sunlight, as under a skylight. Fixtures used in this way are not covered by our warranty.
- Our 5-year warranty does not include the provision of extraordinary means of access, e.g. scaffolding or Genie lifts, to service a product.

IDM Artima/5 CZS O-OBM is a surface mounted cross-baffled accent light capable of 16° to 40° beam spreads. Luminaire is powered by Citizen chip-on-board LED's providing either a CRI of 97 within 2-step MacAdam ellipses or a CRI of 80 within 3-step MacAdam ellipses. See tables on reverse for wattages and efficacies.
