PRESTO[™] THREE LED WL

recessed LED wallwasher remodeler

PRECISE OPTICS - PRECISE OPTICS - PRECISE OPTICS - PRECISE OPTICS - PRECISE OPTICS

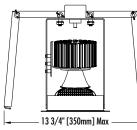

FEATURES

- Presto Three LED WL is a 3" aperture LED remodeler wallwasher. Recess depth is 6 7/8" to 7 34", varying directly with ceiling thickness.
- Luminaire is powered by a Xicato® XTM (19mm) LED module, distinguished by extraordinary color consistency (within 1 x 2 -step MacAdam ellipse). See tables on the next page for luminaire wattages and efficacies.
- Luminaire may be ordered with one of a number of drivers.
- **The optical assembly** consists of two internal reflectors, a 40° x 70° spread lens and an external reflector. Precise reflector design provides uniform illumination on vertical surfaces up to the ceiling line and minimizes aperture brightness.
- External reflectors are available in two clear natural aluminum colors – slightly diffuse (V) or fully diffuse (EC) – as well as champagne gold or black Alzak[®]. Other finishes are available on special order.
- Trim flange conceals edges of ceiling installation hole. Standard finish is white; custom paint finish available on special order.
- Frame is constructed from 14-gauge electro-zinc steel in Edison Price Lighting's American factory.
- For more information, <u>click here</u>.

APPLICATIONS

Installation locations should offer the following conditions:

- ceiling material 2" or less thick capable of supporting at least 16 pounds
- recess depth of 7 3/8" to 8 1/4", varying directly with ceiling thickness
- plenum free of joists or obstructions for as much as 6 7/8" to either side to accommodate 'legs' of frame and as much as 13" to one side to accommodate junction box, varying directly with ceiling thickness.

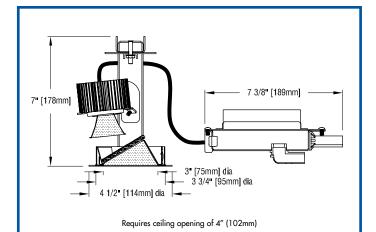

Luminaire is **@** listed for Damp Location, RoHA compliant and prewired with a thermal protector. Removal of the reflector allows access to the LED array, driver and junction box.

Flush trim model, see <u>PRESTINA THREE LED WL</u> Standard recessed, see <u>THREE XTM WL</u> IC-rated, see <u>EPIC THREE XTM WL</u> For retrofit LED lamp, see <u>PRESTO THREE MRE WL</u>

MODIFICATIONS AVAILABLE

Contact factory with quantity for pricing; orders may require shop drawing approval.

+DOD: luminaire suitable for **high humidity** environments; add +DOD to Product Code. +MAR: reflector suitable for **marine** environments; add +MAR to Product Code.

PRODUCT CODE

For complete product code, list basic unit and select one item from each following box.

Basic UnitPST-XTM-3WL Custom painted trim flange available on special order. Add –CC
Driver dimmable to 1% with a 0-10V dimmer on 120 or 277-volt service DMV dimmable to 10% with either an incandescent or electronic low voltage (ELV) dimmer on 120-volt service only; not suitable for 700 lumen source (L07A) DMP
